

SMITA CHANDRAKANT FULARI

B.E. - Computer Engineering

Ph: +91-7666295875

Email: smita21fulari@gmail.com

Pune, Maharashtra, India - 411028

LinkedIn: <https://www.linkedin.com/in/smita-fulari-4141a824a>

BRIEF SUMMARY

My career objective is to leverage my expertise in cloud computing, particularly AWS, and my proficiency in Java to contribute effectively to your company. I am flexible and capable of working across various IT domains, demonstrating a strong interest in cloud computing. With proven leadership qualities and a commitment to long-term success, I am confident that I can be a valuable asset to your team, driving innovation and efficiency. Committed to making the most of every opportunity presented, I am ready to thrive in diverse and demanding conditions. Aspiring to contribute significantly to innovative projects, I bring a dedicated mindset and a passion for technology to drive success within a collaborative team environment.

KEY EXPERTISE

Java AWS Cloud Computing Shell Scripting Java Swing Javascript HTML CSS Data Science
Data Structures Algorithms CPP SQL

EDUCATION

AISSMS College Of Engineering B.E. - Computer Engineering Percentage: 77.32 / 100	2021 - 2025
sir parshurambhau college 12 th Percentage: 80.50 / 100	2021
Hillgreen High School 10 th Percentage: 82.40 / 100	2019

INTERNSHIPS

Extion Infotech Key Skills: Cloud Computing AWS java During my internship at Extion Infotech, I gained hands-on experience in the cloud computing domain. I worked with various cloud services and completed multiple projects, including: Cloud Cost Optimization: Developed strategies and implemented solutions to minimize cloud infrastructure costs while maintaining performance and scalability. Website Hosting on AWS: Successfully hosted and managed websites using Amazon Web Services, ensuring high availability, security, and efficiency. Additionally, I explored other cloud technologies and contributed to diverse projects, further enhancing my skills and knowledge in cloud computing.	17 Nov, 2023 - 17 Dec, 2023
--	-----------------------------

PROJECTS

Hosting application on AWS During my project of hosting a website on AWS, I gained valuable knowledge about various AWS services. Specifically, I used AWS EC2 instances to deploy and manage the website, and I also explored other services such as S3 for storage, RDS for database management, etc.. This hands-on experience enhanced my understanding of cloud computing and infrastructure management.
Bank Management System Key Skills: Java Swing SQL Project Link: https://github.com/smitafulari/AWSPProject/tree/main/Bank%20Management%20System "I developed a project called Bank Management System where I utilized Java Swing for the front-end and SQL for the back-end. The system included various functionalities such as login and signup pages, a page to display account balance, and pages for depositing and withdrawing money, among other features. This project helped me gain practical experience in building and managing comprehensive software applications
Spam SMS Detector

Key Skills: Data Science

I developed a project called Spam SMS Detector, which effectively identified spam messages. For this project, I utilized various Python libraries such as scikit-learn, pandas, NLTK, etc. This project enhanced my skills in data analysis, machine learning, and natural language processing.

Cloud Cost Optimization**Key Skills:** Cloud Computing AWS

I developed a project called Cloud Cost Optimization to address the issue of unnecessary charges in companies due to unused AWS resources. Often, multiple instances, snapshots, and attached volumes are created but not deleted, leading to increased costs. In this project, I utilized AWS EC2 instances, AWS Lambda, and S3 buckets. The system automatically identified and deleted unattached volumes after a certain period, effectively optimizing cloud costs

portfolio website**Key Skills:** HTML CSS

Project Link: https://github.com/smitafulari/portfolio_website

This site is built using HTML and CSS to showcase my work, skills, and projects. It serves as a comprehensive platform where you can learn more about my professional journey and achievements. You can also find a link to my resume here for more detailed information about my experience and qualifications. Feel free to explore and connect with me!

ASSESSMENTS / CERTIFICATIONS**AWS essential training for development****Java 11****CO-CURRICULAR ACTIVITIES**

- o participated in ET Program held in college

PERSONAL INTERESTS / HOBBIES

- o Reading, Dancing, Binge Watch, Trekking.

PERSONAL DETAILS

Gender: Female

Marital Status: Single

Current Address: raut colony,no.13,nr. datta temple,kalepadal,hadapsar,pune-411028, raut colony., Pune, Maharashtra, India - 411028
